

List of companies declared as Nidhis under Companies Act, 1956/2013

Under the provisions of Section 620A of erstwhile Companies Act, 1956, companies desirous of functioning as Nidhis used to be declared as "Nidhis" by the Central Government. Under Section 406 of Companies Act, 2013, initially a company could get itself incorporated as a Nidhi and function as a Nidhi but was required to follow various Rules under Nidhi Rules, 2014. However, Section 406 and Nidhi Rules, 2014 were amended w.e.f 15.08.2019 and the need for declaration of a company as Nidhi by the Central Government was reintroduced on the lines of Companies Act, 1956. Accordingly, every company desirous to function as "Nidhi" is required to file application in Form "NDH-4" for getting itself declared/ updated as "Nidhi".

These NDH-4 applications received from the companies desirous to function as Nidhis are examined by the Central Government. Upon examination, it was noticed that many of these Companies are not complying with the applicable provisions of the Act and rules made thereunder in toto. Also, observed that many of the companies functioning as Nidhi company have not submitted their NDH- 4 application within the stipulated time frame prescribed under Nidhi Rules.

Therefore, investors are advised to verify the antecedents/status of such Company before becoming its member and take an informed decision before investing in such companies.
